Financial Arrangements and Insurance

We are committed to providing you with the best possible care. If you have dental insurance, we will assist you in filing your claims. However, you must realize your insurance is a contract between you, your employer and your insurance company. Pulos Family Dentistry, LLC is not a party in that contract. If your insurance does not pay within 90 days, we will require you to pay the account balance in full and wait for reimbursement from your insurance. I understand and agree that regardless of my insurance status, I am responsible for the balance of my account. In the event my account goes unpaid, I understand that a finance charge of 1.5% will be added to the balance of my account. I understand that I will be held responsible for the cost of collecting my unpaid account, including but not limited to: court fees, attorney fees and collection fees. There will be a $25.00 service fee for all returned checks. _____Initial
